Maybe even better than free.

Unfortunately, we can't make that part free. You can upload any type of file (movies, music, documents, images, zip files and more). If only we could, wesurely would! On the other hand, using file can actually save you money. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Any file in any format can be uploaded and downloaded for free. Simply upload your file and share the link. Keep your files private, or send yourdownload links only to friends or family. filehosting provides an easy possibility for you to send large files to your friends. You can give this download link toyour friends by mail or instant messenger. So try our free and simple filehosting service now. Using file, you can circumvent those limits without paying toupgrade your team chat service. You don't need any special software installed to be able to download your files. There are no restrictions on the number oftimes a file can be downloaded. You decide who you want to share your files with. Why pay storage fees for a file that you just wanted to send to a friend orcolleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. When you use file, you avoid storing the fileyou're sending in your cloud storage or mail server. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is beingtransferred between your computer or phone and our servers, then from our servers to your friends device. File is free to use with no gotchas and no hidden fees.The cost of that data transfer is covered by your internet service or the data plan on your phone. Files transferred the old-fashioned way tend to pile up and beforgotten about, eventually costing you money in data storage fees. Just upload the file you want to share with your friends and we send you a download link toyour file. We have no file size limit. Our service is completely free for everyone. Alternatively you can choose to share your download links on blogs, forumsand social networking sites. It is also allowed to link to the download page from websites and communities. Files can be downloaded from any computer fromour high speed servers. No account or credit card is required to get started.
